My city...

Where ?

- We live in RAMBOUILLET.
- Rambouillet is in the Yvelines, which is in Ile de France county.
- Paris is also in the Ile de France so we live next to the capital city, about 50 kilometers.
- Rambouillet is at the South-West of Paris.

Here is Rambouillet

Why famous ?

- ◉ Rambouillet is famous because it's a residence of the president Nicolas Sarkozy.
- ◉ It's famous because there is a castle with an enormous park.
