My past

My first...

I had my first tooth at... 16 months. People were surprised because it was late. I first walked at 14 months. My first words were "Mummy" and "Daddy" but before, I said a lot of "blablabla". My first birthday was at home with my parents and my sister. I don't remember the present I had that day but my mother thinks it was a truck.

I looked like a lot to my dad

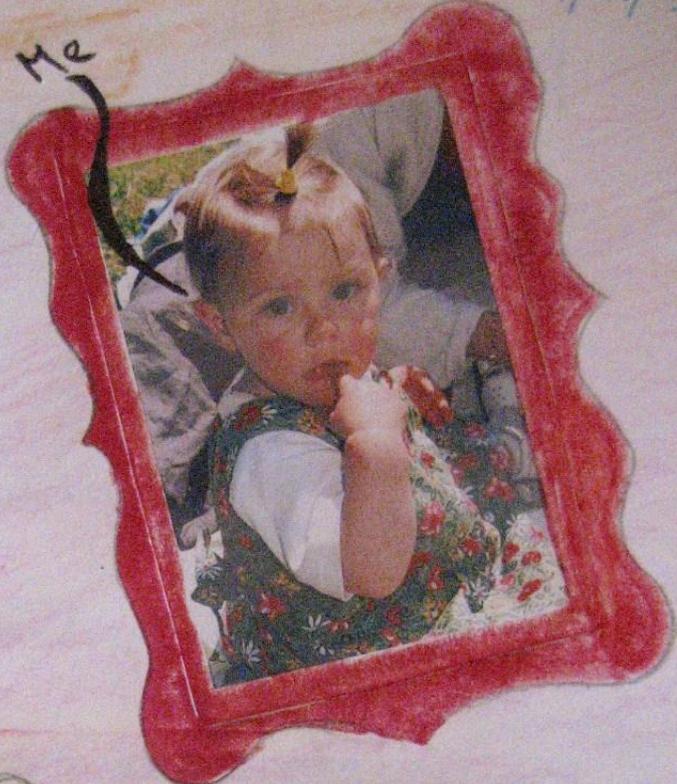

I live in a house at La Boissière-dezelle, a small village, twenty minutes
